

Notice for online Answer Script Upload Portal

We have introduced a **new platform for uploading the PDF version of the answer scripts** for the students appearing in the 1st, 3rd and 5th semester examinations organised by University of Calcutta.

The students are asked to go to the college website and click **“Registration for University Examination”** or go to the **<http://ugadmission.co.in/ghc/universityexamstudentlogin.aspx?clgcode=mscl>**. After clicking this, they have to follow the process of registration as instructed there (**Follow specific notice for Registration as well as process for Uploading the answer scripts**)

Please note, that the registration in this platform is mandatory/ compulsory for all the students. They have to upload their scripts in this platform. However the students can also send the PDF version of the answer scripts to the **specific mail ids (optional)** provided in the college website additionally.

The students have to register before the commencement of the examination on **08.03.2021**.

The students may contact the following persons for any problem faced during this registration process.
